

Teaching and Reaching

What was it like for you as a Christian teenager?

Choose a ministry you are involved in.

If a Christian parent came up to you and asked, "What is the purpose of ...?"

What would you say?

Teaching

What are some observations from this passage to help us understand what we should be doing?

If you went to a first aid course, you would expect to leave knowing first aid
If you went to a learn how to swim course, you would expect to leave knowing how to swim.

If a young person went along to your church and youth groups what would you expect them to leave with?

What do you expect to happen in the life of a disciple?

*Think of a Christian who was influential in your life when you were a teenager.
What do you remember about them?*

Reaching

Therefore go and make disciples of all nations, baptising them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age.
